

Policies / Practices - Cancellations

Cancellation Policies for sales or generated registrations:

❖ Sales

All registered orders will be revised and analyzed by our attribution systems. All sales are subject to:

- Attach the client's origin assigned by the platform (Member's ID)
- The sale was not obtained through any fidelization source of from Perfume's Club UK. (Ex.: Newsletter – ads – etc.)
- That each order generated by the Voucher of the promotion will be revised in order to determine the origin or incentive which our client has opted for*
- *If the Voucher used is the one assigned to your website, but the last click registered it comes from another of our fidelization fonts, the sale won't be registered to anybody.
- All the orders will be delivered by our logistic center. (stage 3 – sent).

❖ Registrations:

All the registrations will be revised and analyzed by our email validation system.

All the registrations count with an enabled CRM code where we detect the total amount of shipments against those who don't receive the email.

- Blocked emails
- No-existent emails
- Full emails
- Limited life emails
- Spam providers
- SpamTraps

For all the above mentioned, Perfumesclub.co.uk it reserves the right to null or validate each one of the achieved registrations in a maximum period of 30 days.

Those affiliates who do not meet all the verification processes of the Perfumesclub.co.uk above mentioned, will be immediately excluded of the payment record of the advertiser.

In case of detection of malpractice, the affiliate will be immediately excluded from the Affiliate Program.

Affiliate Program – Perfume’s Club

All the cancellations may be claimed to the advertiser for the subsequent verification of the provided information and in order to be verified, by both parts, the proper functioning of the entire system agreed.
